industry which they regulate pays the entire cost of our administration, I think this bill, if that is the right thing to do and what the powers intend to impose on the industry, I see no reason why the banking business shouldn't bear 100% of the cost.

Roads and Bridges." Calendar 1046 File No. 641.

MR. PRUYN (COLEBROOK):

THE SPEAKER:

The bill is passed, retaining its place on the Calendar.

THE CLERK:

Favorable report of the Committee on Judiciary on Substitute for House Bill No. 1596 "An Act concerning Minor's Property To Be Received or Used only by Guardian of Estate." Calendar 1048 File No. 644.

MR. TILSON (HAMDEN):

Mr. Speaker, I move the acceptance of the Committee's favorable report and passage of the bill.

THE SPEAKER:

Question is on acceptance of the Committee's favorable report and passage of the bill.

MR. TILSON (HAMDEN):

Mr. Speaker, this bill raises from one to two thousand dollars the amount of money which can figure on behalf of a minor child without the necessity of probate proceedings. This would save a certain amount of money on small estates. It is desirable legislation.

THE SPEAKER:

Question is on passage of the bill. Those in favor will signify by saying "aye"; opposed? The bill is passed.
