Question is on acceptance of the committee's favorable report and passage of the bill.

MR. STUART (Newtown):

Mr. Speaker, under House Bill 1708, which has passed both of our Houses, the State Editor takes over many of the functions of the State Librarian, and therefore will require some office space here during the legislative sessions. This bill directs the Commissioner of Public Works or the Comptroller to provide such office space. It is a good bill. I hope it will pass.
