SENATOR FALSEY:

Mr. President, I move for the acceptance of the committees favorable report and passage of this bill.

THE CHAIR:

Will you remark?

SENATOR FALSEY:

Mr. President, this bill would cover the situation where the Claims Committee hears a matter in which the State happens to be insured, and it would do away with any question as to whether or not the insurance company would have to pay, based on the Claims Committee findings that there was liability on the State. It is designed, of course, Mr. President, to reduce the insurance rates for coverage in these areas where the State does have insurance protection and I urge the adoption of the bill.

THE CHAIR:

Are there further remarks? If no further remarks the question is on the acceptance of the committees favorable report and passage of the bill. Those in favor will signify by saying "aye".
Opposed. The bill is passed.

SENATOR GLADSTONE:

May I interrupt, Mr. President, to request that on Page 12, Cal. No. 1144, be removed from the foot of the calendar.
