SENATOR PICKETT:

Mr. President, the title of the bill most adequately fully describes the contents of the bill.

THE CHAIR:

Will you remark further. If not, as many who are in favor signify by saying aye, opposed. The bill is passed.

THE CLERK:

Calendar No. 1089, File No. 1022. Favorable report of the Joint Standing Committee on Substitute House Bill No. 6800. An Act concerning a Marketable Title Act.

SENATOR PICKETT:

Mr. President, I move for acceptance of the Joint Committee favorable report and passage of the bill.

THE CHAIR:

Question is on passage of this bill. Will you remark.

SENATOR PICKETT:

Mr. President, two years ago we put into statutory form the custom of practice of law in examining titles. We said at that time the title was good. It had remains so for the pass 50 years. Since that time study has been given to that effect in this bill and it was decided that the 40 year period would suffice and therefore the bill has come out of committee.

THE CHAIR:

Will you remark further on the bill. If not, as many who are in favor signify by saying aye, opposed. The bill is passed.
