11.

Mr. Speaker, I move the adoption of the amendment.

MBS

MR. SPEAKER:

Question is on adoption of House Amendment Schedule "A", will you remark?

WILLIAM A. O'NEILL, 52nd District:

Mr. Speaker, this is a technical amendment. It lists, by subject matter, if the regulation is not available at the present time to be published.

MR. SPEAKER:

Will you remark further on the amendment? If not, all those in favor of House Amendment Schedule "A" indicate by saying aye, those opposed? The amendment is adopted.

WILLIAM A. O'NEILL, 52nd District:

Mr. Speaker, I move for passage of the bill as amended by Schedule "A". The present law requires publication of notice of proposed regulation, the terms and subject of such regulation. This bill purports to change this by requiring exact terms of regulation as far as possible. It is a good bill, Mr. Speaker.

MR. SPEAKER:

Before putting the question, the Chair marks the amendment technical. The question is on acceptance of the joint committee's favorable report and passage of the bill as amended by House Amendment Schedule "A", will you remark further? If not, all those in favor will indicate by saying aye, opposed? The bill, as amended, is passed.
