THE CHAIR:

Question is on passage of the bill. Will you remark further? If not, all those in favor signify by saying, "aye". Opposed, "nay". The ayes have it/ The bill is passed.

THE CLERK:

CALL. NO. 228. File No. 256. Favorable report of the committee on Public Health and Safety. Senate Bill No. 494. An Act Concerning Seizure of Fireworks.

SENATOR PAC:

Mr. President, I am in complete agreement with the Senator's favorable report and passage of the bill.

This bill would delete the requirements that a sign be posted on a public sign post whenever fireworks have been illegally possessed by someone. The problem here is, of course, they have a hard time finding some of these sign posts. I understand our State Marshall's office had a problem in Bridgeport. They have a rather plaintiff whale. They'd like to know where or where is the sign post in Bridgeport? Actually a summons would have to be left only at the residence of the individuals concerned or at the business or at the place wherever they see the fireworks. I think this is a good bill.
