MR. SPEAKER:

The question initially is on adoption of House Amendment Schedule "A". Will you remark further. If not, all those in favor indicate by saying "aye". Those opposed. The Amendment is adopted. If not, all those in favor indicate by saying "aye". Those opposed. Bill is passed.

GEORGE W. HANNON, JR.:

Mr. Speaker, I wonder if we might return to Page 2 of the Calendar, at the top of the page, Calendar No. 406. The gentleman from the 95th moved it be removed from the Consent Calendar. I should now, at this time, like to refer that matter to the Joint Standing Committee on Finance.

MR. SPEAKER:

Calendar No. 406, on Page 2, H.B. No. 6494, File No. 330. The motion is to refer this to the Committee on Finance. Is there objection? Hearing none, so ordered.

THE CHAIR:

Senator Pac.

SENATOR PAC:

Mr. President, I move acceptance of the joint committee's favorable report and passage of the bill.

THE CHAIR:

Will you remark?

SENATOR PAC:

This bill would permit the Commissioner of Consumer Protection to use his reference the regulations put out by the Federal Consumer Agency. In order to revise these regulations and really conform them in the sense the Connecticut regulations is a time consuming and costly task. Actually our regulations have to conform to federal regulations. And all it has entailed is costly printing expense etc. The only things we revise are references from U. S. Standards to Conn. Standards. Changes in Chapter designation etc. This is about the extent of the bill.

April 27, 1971 35.

THE CHAIR:

The question is on passage of the bill. Will you remark further? If not all those in favor signify by saying aye. AYE. Those opposed say nay. The ayes have it. The bill is passed.

THE CHAIR:

Senator Pac.

SENATOR PAC:

Mr. President, I move acceptance of the joint committee's favorable report and passage of the bill.

THE CHAIR:

Will you remark?

SENATOR PAC:
