THE CHAIR:

Senator Dowd, do you wish further question? Question is on passage, will you remark further? If not, all those in favor of passage, signify by saying "aye". Opposed, "nay". The ayes have it. The bill is passed.

THE CLERK:

CAL. NO. 488. File no. 415. Favorable report of the joint committee on Public Health and Safety. House Bill 8828. An Act Concerning the Adoption of Budgets of Districts Department of Health.

SENATOR PAC:

Mr. President, I move acceptance of the joint committee's favorable report and passage of the bill. This bill would re-aligne the procedures governing the adoption of the District Health Departments. Currently, it's mandatory that they have a uniform fiscal date that runs from July 1 to June 30. Some towns have a similar fiscal date and the estimate is drawn in June. This makes it very difficult to meet the deadline. What this bill would do is to permit them to come up with the estimate in April, hold a public hearing, with due notice of two weeks and I think it's a good bill.

THE CHAIR:

Question is on passage, will you remark further? If not, all those in favor signify by saying, "aye". Opposed, "nay". The bill is passed.

THE CLERK:

CAL. NO. 490. File No. 434. Favorable report of the joint committee on Judiciary. House Bill 9112. An Act Concerning Criminal Conversation.

SENATOR CALDWELL:

Mr. President, I move the adoption of the bill. ~~I move the acceptance of the committee's favorable report and passage of the bill.~~

Mr. President, this bill merely abolishes an ancient action on the books, concerning criminal conversation. I might add, according to our caucus some of the conversations, I have heard around here during the past few months, we might want this to be retro-active but I'm afraid it can't be. I urge the adoption of the bill.

THE CHAIR:

Question is on passage, will you remark further? Will anyone criminally converse further? If not, all those in favor signify by saying, "aye". Opposed, "nay". The ayes have it. The bill is passed.

THE CLERK:

FOOT OF THE CALENDAR:

CAL. NO. 193. File No. 212. Favorable report of the joint standing committee on Public Health and Safety. Substitute Senate Bill 492. An Act Concerning Regulating Activity Involving Explosives. Clerk has an amendment.

SENATOR PAC.

Mr. President, I move acceptance of the joint committee's favorable report and passage of the bill.

THE CLERK:
