CAL. NO. 485. File No. 463. Favorable report of the joint committee on Public Health and Safety. Substitute House Bill 8699. An Act Concerning Municipal Public Health Directors.

SENATOR PAC:

Mr. President, I move acceptance of the joint committee's favorable report and passage of the bill. This bill would expand the qualifications for the local Director of Health. In lieu of the present requirement that they be licensed physicians with a degree in public health any individual having the Masters Degree in Public Health would be eligible. There is a definite shortage of Physicians, that are ready to accept this job. But more positive I think it would bring a new insight into the job. And perhaps add a new dimension in imagination. I do feel that there's a positive aspect to this bill.

THE CHAIR:
