Mr. Speaker, I move acceptance of the Joint Committee's favorable report.

MR. SPEAKER:

Question is on acceptance of the Joint Committee's favorable report and passage of the Bill. Will you remark.

MURIEL T. YACAVONE:

Yes, under this Bill the Commissioner of Mental Health may contract with the Public Health nurse...nursing agency for after-care of former patients of the Department's institutions. The after-care includes tests, out-patient service, examinations, and so on. The Public Health nursing agencies are willing and highly capable to perform this service. I urge passage of the Bill.

MR. SPEAKER:

Will you remark further. If not, all those in favor will indicate by saying "aye". All those opposed. The Bill is passed.

THE CLERK:

Calendar No. 521, H.B. No. 7263, an Act concerning requiring hearings for all liquor permit applications when there is a remonstrance.

ALBERT PROVENZANO:

Mr. Speaker, I move the Joint Committee's favorable report and passage of the Bill.

MR. SPEAKER:

Question is on acceptance of the Joint Committee's

favorable report and passage of the Bill. Will you remark.

ALBERT PROVENZANO:

Mr. Speaker, the Bill would allow, or rather require, the Liquor Control Commission to hold a public hearing on a renewal or a new application when there is a petition against such application. There was no opposition to the Bill, and moreover the Liquor Control Commission did not find disfavor with the Bill.

MR. SPEAKER:

Will you remark further. If not, the question's on acceptance and passage. All those in favor will indicate by saying "aye". All those opposed. The Bill is passed.

THE CLERK:

Calendar No. 528, Substitute for H.B. No. 6166, an Act concerning fines limitation on savings and loan associations.

GEORGE W. HANNON, JR.:

Mr. Speaker, I move acceptance of the Joint Committee's favorable report and passage of the Bill.

MR. SPEAKER:

Question's on acceptance of the Joint Committee's favorable report and passage of the Bill. Will you remark.

GEORGE W. HANNON, JR.:

Yes, Mr. Speaker. This Act deals with sub-Section C of Section 36-78 of the General Statutes wherein it allows savings and loan institutions to raise the late charge from 2¢ per dollar to not more than 4¢ per dollar.

SENATOR CUTILLO:

I move acceptance of the joint committee's favorable report and passage of the bill. This bill will transfer funds from one project to another within the provisions of the same special act 281 of the 1969 session of the General Assembly.

THE CHAIR:

Question is on passage. Will you remark further? Those in favor signify by saying, "aye". Opposed, "nay". The ayes have it; bill is passed.

THE CLERK:

CAL. NO. 528. File No. 492. Favorable report of the joint committee on Liquor Control. House Bill 7263. An Act Requiring Hearings for all Liquor Permit Applications When There is a Remonstrance.

SENATOR DUPONT:

Mr. President, I move acceptance of the joint committee's favorable report and passage of the bill. This bill enacted into law would require the Liquor Control Commission to hold a hearing in every instance where a group of people oppose the granting of a permit.

THE CHAIR:

Question is on passage, will you remark? If not, all those in favor of passage signify by saying, "aye". Opposed, "Nay". The bill is passed.

THE CLERK:

CAL. NO. 530. File No. 682. Favorable report of the joint committee on Judiciary. Substitute Senate Bill 1547. An Act To Require the Commissioner of Motor Vehicles to Publish Regulations Relative to a Point System for Motor Vehicle Violations.

LIQUOR CONTROL

WEDNESDAY

MARCH 3, 1971

Joseph Begnal: Probably a regulation would be easier.

Representative Provenzano: Mr. Begnal, let me say this, my experience is that there are provisions for this. However, the committee will check. I don't know of this happening but the committee will check to see whether this is correct. We'll check with the Commission and see what provisions there are. I agree that there should be a need for any retailer, whether on premise or off premise, to pay bills.

Joseph Begnal: Well, I think you will find with the Commission that there is --- I know I made three calls myself for our members in Waterbury.

Senator Dupont: I rule that we are getting off the subject of the bill under discussion.

Joseph Begnal: I think we are, but I just wanted to bring it up.

Senator Dupont: Anyone else on House Bill 7015? Anyone else in opposition to House Bill 7015? If not, we will move to House Bill 7263 entitled "An Act concerning requiring hearings for all liquor permit applications when there is a remonstrance."

Mr. Brennan, you are the lead-off man each time.

Daniel E. Brennan, Connecticut Package Store Association: On Bill No. 7263, if you will turn to page 3 of the bill you will see that the change has been made here is a rather simple one. The Commission, under the present act, when there is a remonstrance, the Commission in its discretion may hold a hearing in the town in which the application pertains. This bill takes the discretion away from the Commission and requires such a hearing. The whole theory of the liquor law sets it up when there are applications in an adversary position. There is nothing more frustrating and nothing worse for the respect for law by the people who object to a particular application not being heard so that it is in the public interest to require this hearing be held.

Senator Dupont: Any questions? Anyone else in favor of 7263?

Joseph Begnal, President of Waterbury Restaurant Association: I am appearing here in favor of House Bill 7263.

Senator Dupont: Anyone else? Anyone who wants to speak in opposition to House Bill 7263? If not, we will move to House Bill 7264 entitled "An Act concerning the issuance of one-day liquor permits to charitable and fraternal organizations." We will hear from those in favor of House Bill 7264.
