This bill simply extends the protection of Sec. 10-235 to cover faculty staff, employed students of the University of Connecticut, Health Center and Health Services. This is something that is needed in the country there. I urge passage of this bill.

Representative Chagnon.

REPRESENTATIVE CHAGNON:

I move acceptance of the committee's favorable report and passage of this bill in concurrence with the Senate.

MR. SPEAKER:

Will you remark.

REPRESENTATIVE CHAGNON:

This bill sets a time limit for the transfer of assets which might affect the dealings with benefits in the welfare provisions. IT also permits the Commissioner to waive some of the considerations if it is found that people have transferred under defrauding. I move the acceptance of the bill.

MR. SPEAKER:

Further remarks on passage of the bill. Representative Nevas.

REPRESENTATIVE NEVAS:

Through you, a question to the proponent. I noted that file no. 1060 also deals with Sec. 17-85 of the General Statutes. I am wondering if the proponent could explain the fact that there are two different amendments on the same statute and whether or not they are consistent with one another.

MR. SPEAKER:

Gentleman from the 97th care to respond.

MR. SPEAKER:

Question is on acceptance and passage of the bill as amended by House Amendment Schedule A. The Clerk is in possession of Senate Amendment Schedule A.

The Clerk call Senate A. Does the gentleman wish to outline it as opposed to reading of it.

REPRESENTATIVE MORRIS:

The amendment and really the bill repeals Sec. 30-83 and 30-84, committee lists to be given to committees of liquor licenses in the town to prohibit those drinkers who are considered welfare drinkers or it also permits and we are

The Clerk points out the amendment is printed in full in file 823, the question is on adoption of Senate Amendment Schedule A. Will you remark further on Senate Amendment Schedule A. The question now is on acceptance and passage as amended by House Amendment Schedule A and Senate Amendment Schedule A. Would you remark further.

I so move, Mr. Speaker.

Representative Mahaney.

REPRESENTATIVE MAHANEY:

I wonder if I might direct the Clerk's attention and the House's attention to page 7 to a bill we just passed a short time ago. It is calendar 967, House Bill 8506. It is my intention at this time to move for reconsideration of this matter and if it is granted, I intend to ask this matter be passed retaining its place. IT has been a problem that has been pointed out to us, the other side is aware of it and I don't believe there will be any objection to the motion to reconsider it.

MR. SPEAKER:

You were the prevailing proponent.

REPRESENTATIVE MAHANEY:

Yes sir, I was.

MR. SPEAKER:

Question is on reconsideration. Will you remark further. If not, all those in favor indicate by saying Aye. Opposed. Reconsideration passed. Gentleman from the 92nd.

SENATOR ALFANO:

The bill as amended requires the Clerk of the Circuit Court on a bind over to notify the Clerk of the Superior Court and State's Attorney's within three days rather than within ten days as the law now provides. Where a person has been released on his own promise to appear or on bond without surety. The Circuit Court Clerk must notify within seven days. Where a criminal case is disposed of and an inrem proceeding is still pending in the Circuit Court, the Clerk of the Superior Court must notify the Circuit Court within ten days of the disposition.

SENATOR CIARLONE:

Mr. President, I move acceptance of the joint committee's favorable report and passage of the bill.

THE CHAIR:

Will you remark?

SENATOR CIARLONE:

Mr. President, state statutes supervising transfer of property without reasonable consideration of the condition of eligibility for public assistance leaves no room for judgment as to how far back one must go. This bill makes three years the cut off time. And complies with the federal law on gifts and contemplation of death. Its a good bill and I urge its adoption.
