THE CLERK:

Calendar No. 786, Substitute for House Bill No. 8334, An Act Concerning the Number of Resident State Policemen.

WILLIAM O'NEILL, 52nd District:

Mr. Speaker, I move for the acceptance for the joint committee's favorable report and the passage of the bill.

MR. SPEAKER:

Will you remark?

WILLIAM O'NEILL, 52nd District:

Mr. Speaker, as you well know, the number of allotted resident state troopers is set by statute, presently the number for the state of Connecticut is 60. Many of your smaller towns are in dire need of the services of a resident trooper. This particular bill would increase the number from 60 to 70, Mr. Speaker. The police department knows about the bill and they are in favor of this bill. Mr. Speaker, there is no cost because it would come out of the normal compliment of state police.

MR. SPEAKER:

Further remarks? If not, all those in favor indicate by saying aye, opposed? The bill is passed.

DAVID SULLIVAN, 130th District:

Mr. Speaker, I move acceptance of the joint committee's favorable report and passage of the bill.

MR. SPEAKER:

Will you remark?

DAVID SULLIVAN, 130th District:

Mr. Speaker, is a further attempt on the part of the Judiciary Committee to help ease the log jam which is currently holding up business in the Superior Courts in our state. We found through our investigation that many of the Superior Court judges, especially on the court side, are

simply deluged with heavy cases which require an extensive amount of research. This necessarily takes away time that they could well spend on the bench helping to dispose of business pending in the courts. The requirement is not mandatory that five be appointed at once but they will be available to assist the judges and we hope ease up some of this log jam. I would recommend, sir, and urge that the bill pass.

MR. SPEAKER:

Further remarks on the bill? If not, all those in favor indicate by saying aye, opposed? The bill is passed.
