THE CHAIR:

Senator Lieberman.

SENATOR LIEBERMAN:

Thank you Mr. President. I wonder if with the Majority Leader's permission we might leave that last bill on the Calendar because I have an amendment to it.

SENATOR CALDWELL:

All right that will remain in its place.

THE CHAIR:

Which one is that? I don't know which one your talking about.

SENATOR LIEBERMAN:

The preceeding bill. S.B. 1630.

THE CHAIR:

concerning liquor sellers, Cal. 391, page 21, file 827. May I ask, the number of the bill is H.B. 5375, A Conference a moment ago with the Chairman of the Liquor Committee indicated that his intent and mine are, or request and mine was that this not be on the Consent Calendar.

SENATOR CALDWELL:

Thats all right. Its agreeable Mr. President.

THE CHAIR:

Third from the top, page 21. By agreement will be eliminated from the Consent Calendar. Cal. 391.

Are you through Senator Caldwell with the recommendations?

SENATOR CALDWELL:

We will stand at ease for just a second while I confer with the Minority Senator Ives.

Senator Caldwell.

SENATOR CALDWELL:

Its been called to my intention that two of the bills mentioned were Senate Bills. And I would like to move for suspension of the rules for immediate transmittal to the House.

THE CHAIR:

Well we haven't really passed them yet. Wait until we pass your motion. My logical mind would prefer that we ...

SENATOR CALDWELL:

I've already made the motion, Mr. President.

THE CHAIR:

The question is on passage of the bill as enumerated by the Majority Leader. Is there any objection? If not the bills are declared passed.

The question is on a motion for suspension of the rules, for immediate transmittal to the House, of all Senate Bills on said list. Is that correct Senator? If there is no objection it is so ordered.

Senator Caldwell.

JUDICIARY COMMITTEE

FEBRUARY 23, 1971

H.B. #5628 - AN ACT CONCERNING THE ERASURE OF ARREST AND COURT RECORDS

H.B. #5628 would be an impossible job for us to do. To go back beyond 1969 automatically have everything erased because this would involve contacting the F.B.I. and having all the fingerprint cards for that era sent back. It would just be a mamoth job which I do not believe could be successfully implemented.

H.B. #6573 - AN ACT CONCERNING ERASURE OF CIRCUIT COURT ARREST AND CONVICTION RECORD OF PERSONS CONVICTED DURING THEIR MINORITY.

H.B. #6573 - the erasure of records of convictions at the Circuit Court upon any person reaching 21 years of age. I believe that you might want to consider the fact that this would erase some felony records of people that could very well be 20½ years of age when they commit it. In effect, they could have a felony erased after six months, possible while they are still on probation. I believe you might want to consider a time limit, saying 5 years after this crime has been committed. This would enable a 16 years old person to have their record erased at 21. They commit it at 17 and might be 22 and a person who committed a crime at 20, I believe a reasonable period of four or five years before erasure might suit your purpose better.

S.B. #45 - AN ACT CONCERNING ERASURE OF CERTAIN MISDEMEANOR CONVICTIONS

Ob S.B. #45 - again, we are not in opposition to have a misdemeanor convictions erased after five years. This Bill, we would object to the erasing the erasure if the person is convicted again. This would be an awful bookkeeping task and one which very easily get out of hand because the record there again is not only in the local department, in the State bureau's but it is also down at the F.B.I. and it would be very difficult - it would probably double the work and our staff is not equiped to do that.

We will submit further written comments on the practucally of these Bills to the Chairman of this Committee. Thank you.

Sen. Jackson: Thank you. Captain Civittollo to be followed by Kenneth Bland.
