THE SPEAKER:

The gentleman from the 52nd has moved adoption of these bills. Is there objection to the gentleman from the 165th?

MR. COLLINS (165th):

Mr. Speaker, I would just make the similar to the one I made on Saturday in the interest of time. Some of these bills obviously would have merit, some may be questinnable, they all contain appropriation items, some of which there has been no provision in either the Governor's proposed budget or the Democratic leadership proposed budget. On the basis of the fact there is no budget, I intend to object to these items as a group as we did on Saturday.

MR. O'NEILL (52nd):

Mr. Speaker, at this time, I move for adoption of the bill that have been read.

MR. OLIVER (104th):

Very briefly, Mr. Speaker, I won't object and I do support Calendar No. 1398, H.B. No. 5231, File 1608, Jury Trials in the Circuit Court, although I believe the bill is unconstitutional, until the constitutional amendment we passed earlier in this session is voted on and adopted by the people at the next general election.

THE SPEAKER:

Are there further objections? If not, the question is on acceptance and passage as moved by the gentleman from the 52nd. All those in favor indicate by saying aye. Opposed? The bills are PASSED.

MR. O'NEILL (52nd):
