MR. NEIDITZ (12th):

Mr. Speaker, this bill, I move acceptance of the Joint Committee's favorable report and passage of the bill.

THE DEPUTY SPEAKER:

Question is on acceptance and passage. Will you remark?

MR. NEIDITZ (12th):

Mr. Speaker, this bill is in ...with the very fine bipartisan agreement made regarding the certain other commissions. I think that we've, we're all aware of the, that we have too many commissions and government by commission is not the way to run a railroad or a government. This bill merely goes along in that direction and says that the State Ambulance Commission shall be a representative of the Commission of State Police, the State Health Commissioner and the State Police, Health and Motor Vehicle. These are people who are in the best position to make rules and regulations in this area. I move its adoption.

THE DEPUTY SPEAKER:

Will you remark further on the bill?

MR. COLLINS (165th):

Mr. Speaker, I rise in support of this bill. I think the gentleman from the 12th has outlined some of the major provisions in it. I think its a good bill and it ought to pass.

MR. HANNON (16th):

Senate Amendment Schedule "A", Mr. Speaker, gives permission for the Connecticut Ambulance Association in addition to the three members that were passed in the previous action, Connecticut Ambulance Association may submit a list of three names and from that list the Governor of the State of Connecticut may, and I underline that word, may select one of those three names as an additional fourth member. It is not mandatory and it's a good amendment and I move its passage.

THE SPEAKER:

Further remarks on Amendment "A"? If not, all those in favor indicate by saying aye. Opposed? Senate "A" is ADOPTED.

MR. HANNON (16th):

I now move acceptance and passage as amended.

Senator Sullivan.

SENATOR SULLIVAN:

The Clerk has an amendment I believe.

I waive the reading of the amendment.

THE CHAIR:

He's waived the reading. Will you remark?

SENATOR SULLIVAN:

Mr. President, I move the adoption of the amendment. The amendment adds one more member to the Ambulance Commission who may be a member of the Ambulance Association.

THE CHAIR:

Any further remarks? Senator Ciarlone.

SENATOR CIARLONE:

Mr. President I support the amendment. I believe its fitting and proper that a member who represents the ambulance industry should be represented here. We have seen fit to have tenants represented on housing authorities, welfare recipients represented on Welfare Boards, And in many other similar and similar situations. I definitely feel that the ambulance industry should be represented and have a voice. I ask the members of the senate to support this amendment.

indicate by saying aye. AYE. Opposed no? The ayes have it.  
The amendment is carried.

SENATOR SULLIVAN:

Mr. President, the act changes the make up of the present Ambulance Commission by adding, or by deleting the three electors and adding the Commissioner of State Police to serve along with the Commissioner of Health and the Commissioner of Motor Vehicles along with the fourth member who may be a member of the Ambulance Association. And it is hoped by changing the make up of this Commission it will reduce some of the problems that now exist within the commission.

THE CHAIR:

Any further remarks? If not all in favor of the bill as amended indicate by saying aye. AYE. Opposed no? The ayes have it. The bill as amended is passed.

THE CHAIR:

Senator Jackson.

SENATOR JACKSON:

Mr. President, I move acceptance of the committee's report and passage of the bill.

THE CHAIR:

Will you remark?

SENATOR JACKSON:

The purpose of the bill is to cut down the volume of recording material on the land record and to lessen the increasing costs to filing same. I might point out that this is an optional provision and you can continue to continue recording in the present manner but it gives a way of facilitating things.

THE CHAIR:

Any further remarks? If not all in favor of the bill
