THE SPEAKER:

Further remarks on the bill as amended?

MR. CAMP (163rd):

Although again, this may have a salutary effect, it seems to me that if the people within the towns can seek a mandamus action at anytime they wish in order to have a revaluation made under our present law, in some of our towns where properties are turning over rather rapidly, it may be the policy of the town, through its elected or appointed officials, not to do so. I think that if the town wants to, there is nothing to stop them from doing it. The rights are right there within the town and to make it harder to get money from the state which is already difficult enough, to add this difficulty to it, I don't think makes sense.

THE SPEAKER:

Further remarks on the bill as amended? If not, all those in favor indicate by saying aye. Opposed? The bill is PASSED.

THE CLERK:

Calendar No. 1235, Substitute for H.B. No. 6333, An Act Concerning Payroll Deductions of Insurance Premiums by Public Service Companies.

MR. COLUCCI (88th):

Mr. Speaker, I move acceptance of the committee's favorable report and passage of the bill.

THE SPEAKER:

Will you remark?

MR. COLUCCI (88th):

Mr. Speaker, the Clerk has an amendment.

THE CLERK:

House Amendment Schedule "A" offered by Mr. Palmeri of the 90th, consisting of one page and two lines.

MR. COLUCCI (88th):

You don't have to read the amendment.

THE SPEAKER:

The gentleman indicates that for the benefit of the Clerk, he'll outline the amendment.

MR. COLUCCI (88th):

Mr. Speaker, strike out all after the enacting clause and substitute the following: Section 16-50f of the 1969 supplement to the general statutes is repealed and the following is substituted in lieu thereof. What this does, it provides payroll deductions for employees of public service companies in connection with premiums for a mass merchandising or a group plan of any line insurance. The group covered by such insurance consists predominantly of employees of such public service company and the solicitation or sale of such insurance shall not be permitted on the public service company property or during their normal working hours of the employees of such a company. Mr. Speaker, I move adoption of the amendment.

THE SPEAKER:

Further remarks on Amendment Schedule "A"? If not, all those in favor indicate by saying aye. Opposed? Amendment "A" is adopted.

THE CLERK:

Please return to page 5, top of the page, Executive Nomination,
Calendar No. 1222, Senate Joint Resolution No. 95, Confirming the Nomination
of James J. Dutton, Jr. of Norwich to be a Member of the Commission for Higher
Education.

MR. AJELLO (118th):

Mr. Speaker, I move adoption of the resolution.

THE SPEAKER:

Question is on adoption of the resolution. Will you remark?

MR. AJELLO (118th):

Mr. Speaker, the committee on executive nominations has met
with several individuals who were nominated for these boards and Mr. Dutton,
of course, is one of them. He's an attorney who practices law in Norwich, I'm
learning to say that the right way, and he has a very distinguished personal
background a large family himself, has children in school, and is extremely
interested in the subjects which will be before the Board for Higher Education.
We were extremely impressed with him and we recommend acceptance by this Cham-
ber.

THE SPEAKER:

Further remarks on the resolution? If not, the question is on
adoption of the resolution. All those in favor indicate by saying aye.

Opposed? The resolution is ADOPTED.
