Mr. Speaker, point of order. The gentleman is imposing on us. He has already made these arguments. I allowed him to continue on the amendments when he was talking about the bill. I insist that he stick to the subject or sit down.

THE SPEAKER:

I would urge the gentleman to complete his remarks so that we can go on to the other 15 or 16 Calendar items that are available for action this evening.

MR. KING: (37th)

Mr. Speaker, I will conclude. I realize that this is all futile. But I only do so in the recognition that I think an injustice has been done here tonight to the people of our State and to the Capital Region to have held this item up and not allow time for proper debate and for the apparent wish to hide the facts of this matter from the light of day.

THE SPEAKER:

Question is on acceptance and passage. All those in favor indicate by saying AYE. Opposed. THE BILL IS PASSED.

THE SPEAKER:

The gentleman from the 41st.

MR. COHEN: (41st)

Mr. Speaker, I move for suspension of the rules for immediate consideration.

THE SPEAKER:

Is there objection. Hearing none, the gentleman will proceed.

MR. COHEN: (41st)

I move for acceptance of the Joint Committee's favorable report and passage of the bill, IN CONCURRENCE with the Senate.

THE SPEAKER:

Will you remark.

MR. COHEN: (41st)

Mr. Speaker, this bill will allow nonprofit, nonstock, nonsectarian facilities which provide chronic convalescent nursing care or is a rest home with nursing facilities or is a home for elderly persons. These facilities will be eligible to participate in health education facilities through the authority. And this is a program that facilitates their bonds and makes them a guarantee for reduced interest in bonding. It's a good bill and I move its passage.

THE SPEAKER:

Further remarks on the bill. If not, all those in favor indicate by saying AYE. Opposed. THE BILL IS PASSED.

MR. AJELLO: (118th)
