THE CLERK:

house amendment Schedule A, offered by Mr. Prete of the 114th. Delete Section 3.

MR. PRETE: (114th)

I move the adoption of the amendment.

THE SPEAKER:

Will you remark.

MR. PRETE: (114th)

Mr. Speaker, the amendment deletes Section 3 which is a highly controversial section in the bill. The section in effect allows participating communities to veto each other in the construction of garage facilities. This was controversial and the amendment removes the problem from what should be a good bill.

I move the adoption of the amendment.

THE SPEAKER:

Will you remark further on House A. If not, all those in favor will indicate by saying AYE. Opposed. HOUSE A IS ADOPTED. Will you remark on the bill as amended.

MR. PRETE: (114th)

I move acceptance of the Joint Committee's favorable report and the passage of the bill as amended by House Amendment Schedule A.

THE SPEAKER:

Will you remark further on the bill.

MR. PRETE: (114th)

District to which various communities may join. It is permissive legislation. It allows communities in the south central section of the state to join together for planning and advisory purposes. There is no question about the need for such organization than planning. There is no question about the need for improvement in our mass transit system such as it exists now. I move that this is a good bill. It's good legislation for the State of Connecticut. It's progressive. I move the acceptance of the Joint Committee's favorable report and passage of the bill.

THE SPEAKER:

Will you remark further on the bill as amended. If not, question is on acceptance and passage as amended by House A in concurrence. All those in favor will indicate by saying AYE. Opposed. THE BILL IS PASSED.
