MR. MAHANEY (92nd):

Mr. Speaker, I would request that the Clerk now, on page 9, call the topmost item, Calendar No. 1571.

THE CLERK:

Top of page 9, Calendar No. 1571, S.B. No. 805, An Act Concerning Substitution of Securities for Retainage Under Construction Contracts.

MR. LEARY (43rd):

Mr. Speaker, I move for acceptance of the committee's joint favorable report and passage of the bill.

THE SPEAKER:

Will you remark?

MR. LEARY (43rd):

Mr. Speaker, under the terms of this bill, a contract let by the state or by any department of the state whereby funds in a sense are held in escrow, well this bill would permit a contractor or a sub-contractor to withdraw these funds provided additional security in the form of United States Treasury Bonds, Notes or Bills or Certificates or Bonds or Notes of the State of Connecticut or of any political sub-division are substituted to provide the security that's required, so the state would be fully protected and at the same time, the contractor or the sub-contractor would be allowed to withdraw funds upon completion of the particular project. The state is amply protected. It's a good bill.

THE SPEAKER:

Further remarks on the bill?
