THE CHAIR:

No objection, so ordered.

THE CLERK:

CAL. NO. 1162. File No. 1654. Favorable report of the joint committee on Finance. Substitute for Senate Bill 1456. An Act Concerning Major Renovation of School Buildings for School Purposes.

SENATOR CUTILLO:

Mr. President, I move acceptance of the joint committee's favorable report and passage of the bill. The Clerk has an amendment.

SENATOR HAMMER:

I rise, Mr. President, to ask if the Clerk will go slowly because this bill puzzles me very much and I'd like to follow it closely.

THE CHAIR:

Will the Clerk, please read, slowly?

THE CLERK:

In line 25, strike out the words but not, and after the word including insert but not limited to.

SENATOR CUTILLO:

Mr. President, the amendment clarifies the bill. It makes it binding. And without this particular change, it would not be a bill of any subsequence. I move passage.

THE CHAIR:

Question is on the passage of the amendment. Will you remark further? If not, all those in favor of adoption of the amendment signify by saying, "aye". Opposed, "nay". The amendment is adopted.

SENATOR CUTILLO:

Mr. President, this bill will allow the cities and towns throughout the State of Connecticut, who renovate schools to be reimbursed by the State of Connecticut. As it stands right now, of course, new construction is reimbursable. This would allow the municipality to refurbish and therefore receive monies from the State as it would have if it were new construction.

THE CHAIR:

Question is on passage of the bill, as amended. Will you remark further? If not, all those in favor I'm sorry, I didn't see you, Senator Finney.

SENATOR FINNEY:

I wonder if I could ask Senator Cutillo, does this involve more money than we are now paying for towns renovating and doing schools?

SENATOR CUTILLO:

Through you, Mr. President, to the gracious lady from the 36th. Yes, it would. Because it does not take in the new construction. It takes in in lieu of new construction, refurbishing. So it is new money that we are talking about.

THE CHAIR:

Will you remark further? If not, the question is on passage of the bill as amended. All those in favor signify by saying, "aye". Opposed, "nay". The ayes have it. The bill, as amended, is passed.

THE CLERK:

CAL. NO. 1166. File No. 1695. Favorable report of the joint committee on Corrections, Welfare and Humane Institutions. Substitute Senate Bill 595. An Act Concerning Use of Physical Force In Making Arrests or Preventing Escapes.

THE SPEAKER:

Question is on acceptance and passage. Will you remark.

MR. GAGLIARDI: (103rd)

Mr. Speaker, the Clerk has an amendment. Will the Clerk please read it.

THE CLERK:

Senate Amendment Schedule A, adopted by the Senate on June 5. In line 25, strike out the words but not and add after the word including, but not limited to.

MR. GAGLIARDI: (103rd)

Mr. Speaker, the amendment corrects the bill as it should have come out of the Legislative Commissioners' office and reads now that it includes, shall include but not limited to, the following items: 1, 2, 3, 4 and 5 as listed in the bill. As I say it was merely a correction of the original language. I urge its adoption.

DEPUTY SPEAKER:

Will you remark further on Senate A. If not, question is on its adoption. All those in favor will indicate by saying AYE.

OPPOSED. THE AMENDMENT IS ADOPTED.

MR. GAGLIARDI: (103rd)

This bill as amended was introduced for the benefit of a number of municipalities seeking school renovation grants for completed projects that have failed to qualify because of the narrow interpretation of the renovation language. This bill would in effect spell out the definition of major alterations to permit
