Mr. Speaker, I move for the joint committee's favorable report and passage of the bill.

MR. SPEAKER:

Question is on acceptance and passage, will you remark?

SARAH FRANCES CURTIS, 164th District:

Yes, Mr. Speaker. This bill pertains to a committee that was set up about six years ago to hear grievances from town officials, particularly pertaining to welfare. I have been a member of this committee for those six years and have attended rather regularly the meetings, and we have never had anyone appear with a grievance. So, we have changed the bill to say

action in the Hartford Superior Court for determination of a disputed claim within three years after "acceptance of a contract." Provided that within two years a notice is given. And the words acceptance of a contract have been found to be both vague and difficult of interpretation. This bill would attempt to clarify this by substituting in lieu thereof the words "acceptance of the work by the agency head, evidenced by a certificate of acceptance." Which would be issued to the contractor. This would mean Mr. President that the time for the notice and the time within which the statute would run. Would run from a time certain. Its a good bill and I urge its passage.

SENATOR SULLIVAN:

Mr. President, the Statute is amended to change compulsory meeting dates of once every three months to times called by the respective towns in regard to Welfare payments. And the reason is that the committee has been meeting once every three months and at some of these meetings nobody has ever showed up for any grievances. So they want to make the meetings when they are necessary.

THE CHAIR:

The question is on passage of the bill. Will you remark further? If not all those in favor say aye. AYE. Opposed nay? The ayes have it.
The bill is passed.
