to be accepted into apprentice training programs throughout the state.

THE PRESIDENT:

Senator Cloud.

SENATOR CLOUD:

Yes, Mr. President, through you to Senator Matthews, Senator Matthews, there is a program ah, presently in place to which my belief that the Office Of Policy and Management would try and work with, to further develop this particular program activity around the state. This particular program has been very successful in New Haven. It is called the Women's Employment Resource Center. They do have women on their roles that are ready and willing and able to participate in such programs with the hope that the Office of Policy and Management can take the benefit and work of the particular program and develop it into a statewide program.

SENATOR MATTHEWS:

Thank you very much.

THE PRESIDENT:

Will you remark further. Hearing no objection, this will be placed on the Consent Calendar.

THE CLERK:

SENATOR SCHNELLER: (20th)

Mr. President, I move acceptance of the joint committee's favorable report and passage of the bill.

THE PRESIDENT:

Will you remark.

SENATOR SCHNELLER:

Yes, Mr. President. Presently, a retired teacher is permitted to earn \$3600 under our present teachers' retirement statutes. This would allow a change in that amount and increase it to \$4000 and in view of today's inflation, we think that \$,000 is a minimal amount to be earned and if there is no objection, I would move it to the Consent Calendar.

THE PRESIDENT:

Senator O'Leary.

SENATOR O'LEARY: (7th)

Mr. President, on the grounds of possible conflict of interest I am going to absent myself on this bill and also on the bill at the bottom of that page.

THE PRESIDENT:

The record will so note. This will necessitate a roll call. The Clerk will please make the announcement for a roll call.
