REP. FOX: (144TH)

Yes, sir. Thank you. This bill is, I think, very simple and straight forward and it prohibits the imposition of surcharges for using any particular method of payment. The difficulty arose when we became aware of the fact that in some instances a surcharge was being imposed because someone attempted to pay by check. It's a reasonable concept. The committee supported it.

I would urge its adoption.

SPEAKER RITTER:

Thank you, sir. Will you remark further? If not, staff and guests, please come to the Well of the House. The machine will be opened.

CLERK:

Clerk, please take the tally.
