On page 5, Calendar 356, Substitute for House Bill Number 5898, AN ACT CONCERNING THE REVISOR'S TECHNICAL CORRECTIONS TO THE GENERAL STATUTES AND CERTAIN PUBLIC AND SPECIAL ACTS. Favorable Report of the Committee on Judiciary.

DEPUTY SPEAKER CURREY:

Representative Lawlor of the 99th.

REP. LAWLOR: (99TH)

Thank you, Madam Speaker. I move for acceptance of the Joint Committee's Favorable Report and passage of the bill.

DEPUTY SPEAKER CURREY:

The question before us is on acceptance and passage. Please proceed, sir.

REP. LAWLOR: (99TH)

Thank you, Madam Speaker. This is something of a break in tradition, not doing this at two minutes left in the session at midnight, but this is an annual event, Madam Speaker, for those members of the Assembly who are new.

This bill contains purely technical changes to the General Statutes, typographical errors, that type of thing.

Madam Speaker, there are 48 sections in the file copy. I have several amendments to addition sections of

gmh

additional technical changes in the existing statutes.

First of all, Madam Speaker the Clerk has LCO Number 4874. I would ask the Clerk to call and I be permitted to summarize.

DEPUTY SPEAKER CURREY:

Will the Clerk please call LCO 4874 to be designated House "A".

CLERK:

LCO Number 4874, House "A" offered by Representative Lawlor.

DEPUTY SPEAKER CURREY:

Representative Lawlor.

REP. LAWLOR: (99TH)

Thank you, Madam Speaker. This amendment contains 12 additional sections of additional technical errors. I would just point out that the final section, Section 61 is not purely technical, but it does conform to the intent of a bill enacted last year, simply providing that it is the Comptroller that makes the decision. I think everyone has concurred that was the original intent and this just clarifies that that was the original intent.

I urge adoption, Madam Speaker.

DEPUTY SPEAKER CURREY:

The question before us is on adoption of the

Thank you, Madam Speaker. This is technical. There was a mistake in Public Act 99-246 referring to a Section 3 instead of Section 2. This makes that change.

I urge adoption.

DEPUTY SPEAKER CURREY:

Representative Lawlor.

REP. LAWLOR: (99TH)

Thank you, Madam Speaker. This amendment clarifies the actual intent of Public Act 99-182 clarifying that the amount involved was an amount to be actuarially determined and that is in a paragraph which defines the concept of "actuarially recommended contributions" in that public act. Everyone has acknowledged this conforms the intent of the original bill.

I urge adoption.

Thank you, Madam Speaker. This is actually amending sections of the Technical Revisor's bill which refers to the HIV virus. The V in HIV stands for virus. It is redundant to repeat the word "virus" and this removes the words "the" and "virus".
