SENATOR MCDONALD:

Thank you, Mr. President.

Mr. President, I move acceptance of the joint committee's favorable report and passage of the bill.

THE CHAIR:

The question before the chamber is acceptance and passage. Will you remark further?

SENATOR MCDONALD:

Thank you, Mr. President.

Mr. President, lest anybody in the circle believe that our attorneys in the off session don't do important work, this 126 page technical revisor's bill has been a big piece of work by many of the attorneys in LCO providing technical corrections to various statutes.

THE CHAIR:

Senator Kissel.

SENATOR KISSEL:

Thank you very much, Mr. President.

To assure my colleagues in the circle that we are not filibustering any bills this afternoon, I will state that once upon a time I can recall standing in the chamber here where a former

colleague of mine, Senator George Jepsen, brought out such a hundred-plus page bill. At which point and time I began asking him questions about each individual section that was technically revised and that took upwards of several hours until certain issues were resolved by individuals at a higher pay grade than I certainly was at that time. So to everyone's probably great relief, I will not be asking Senator McDonald to go over each and every one of the technical revisions to our statutes located in the over 100 pages of the underlying bill. Thank you, Mr. President.

THE CHAIR:

Thank you, Senator.

Are there further remarks? Further remarks?

If not, Senator McDonald.

SENATOR MCDONALD:

Thank you, Mr. President.

It is with a grateful heart to Senator Kissel that I ask that if there's no objection, this item be placed on the consent calendar.

THE CHAIR:

Without objection, this item may be placed on the consent calendar.
