Representative Aman, you have the floor, sir.

REP. AMAN (14TH):

Yes, this is a -- a very technical bill of very minor changes. We're doing things like changing the word from "preventing" removing that from the bill and adding the phrase "for the prevention and remediation of housing blight." And then in a couple of the other sections, we're just changing the word from "said" to "such." I don't think it's a major changes but we have been requested to make these changes in the bill so I'd urge my colleagues to support it.
