SENATOR CASSANO:

I would move adoption of the amendment.

THE CHAIR:

The motion is on adoption. Will you remark, sir?

SENATOR CASSANO:

Yes. This is a bill that coordinates wetland permit and expiration dates with site plan and subdivision approvals. It passed the Committee 20-0 last year, was unanimously moved here down to the House and did not get approved.

We would like to pass it again down to the House and hopefully it will be approved this time.

This was one of the efforts of the Committee to particularly streamline efforts to make things easier for builders and developers to not have to refinance projects and so on.

In this case, wetland permits have different timetables than permits granted for the projects themselves. This would make them the same. And I would yield to Senator Fasano, who was instrumental in putting this together with the Committee.

THE CHAIR:

Senator Fasano, will you accept the yield, sir?

SENATOR FASANO:

Good afternoon, Madam President. Yes, I accept the yield.

THE CHAIR:

Thank you, sir.

SENATOR FASANO:

Thank you. Yes, I agree with everything that Senator

pat/rgd/gbr  
SENATE

Cassano said. In addition, this also gives the flexibility of the wetlands commission to ensure that the work that's being done is being done at the appropriate time of the year, not to interfere with the wildlife and habitat that's out there.

So between those two things, it makes our wetlands a better procedure and more protective of the environment. So I support the amendment and it went through 36 nothing and I suspect that it could probably go on Consent here today. Thank you, Madam President.

THE CHAIR:

Thank you. Will you remark further? Will you remark further? If not, all in favor of Senate "A" please say Aye.

SENATORS:

Aye.

THE CHAIR:

Opposed? Senate "A" is passed. Senator Cassano.

SENATOR CASSANO:

I would ask that it be placed on the Consent Calendar.

THE CHAIR:

Seeing no objection, so ordered.

SENATOR CASSANO:

Thank You
