there was no motion to put that on the Consent
Calendar. Unless there's objection, we'll just fix it
ministerially and proceed on. Is there any objection
to that solution?

Thank you all.

If all the -- if everyone has voted, the machine

This bill is a bill that was passed out unanimously

from the General Law Committee and what it does is it provides -- it eases an administrative burden on certain of our permit holders, on noncommercial organizations, charitable organizations and nonprofit corporations. These three types of entities get permits for, for a certain number of events throughout the year, really, charitable events to raise funds for their organizations. And under current law, these organizations have to apply each time. Say, they plan to have six events throughout the year. They have to apply six times each year for it.

This bill is really a positive benefit to these entities in the sense it allows them to apply all at once for up to 12 events a year. So, at the beginning of the year they can plan their events and just apply once for it. So, it's really a question of administrative benefit to the nonprofit and charitable organizations and also for the Department of Consumer Protection because they don't have to deal with multiple applications. So, it's a good bill and I urge the Chamber to approve this important piece of legislation.

Thank you, Madam President.

THE CHAIR:

Thank you.

Will you remark?

Senator Witkos.

SENATOR WITKOS:

Thank you, Madam President.

If you look in the Webster's dictionary under the word streamlining, you're going to see this bill as an example, and this is a great way that State government can provide efficiencies and streamlining to those that are required to use our services via the permitting process. As the good Senator said, some of these nonprofit organizations have multiple events throughout the year. Each time under the current law they have to apply separately for the permit. This

will allow them, once they have their dates picked, to do one application, one process, and be done for the whole year. I strongly urge support from the Chamber.

Thank you, Madam President.

THE CHAIR:

Thank you.

Will you remark? Will you remark?
