

WELLESLEY CLUB OF HARTFORD  
1914-1978

Introduction

The Wellesley Club of Hartford was organized in 1894. Its purpose is "exclusively charitable and educational, particularly to advance the interests and promote the welfare of Wellesley College."<sup>1</sup>

There are four classes of members - active, life, associate and honorary - but only active members (any person on whom Wellesley College has conferred a degree or any former student of Wellesley College) and life members may vote and serve on the board of directors.

The collection consists of minutes, reports, correspondence, and other records of the secretary. The first two volumes, 1914-1944, were deposited November 21, 1945, by Mrs. Edward Hastings, who also gave the Library, on May 25, 1946, an envelope containing reminiscences by a member of the class of 1884. The remainder of the records were received May 19, 1980, from Sally Burchell of South Glastonbury.

Total: 10 inches.
